

KFACT SCHOLARSHIP

KFACT has established a Scholarship fund to assist qualified students accomplish their academic goals. Scholarships will be distributed annually based on the selection from qualified applicants. All potential scholarship recipients must meet eligibility criteria and submit an application form within the specified time. Funds are to be used for any college-related expenses such as books, lab fees, housing or food, with the exception of tuition. Applications are reviewed by the Scholarship Review Committee; final decision is made within 1 month and names of successful awardees will be announced at the Annual KFACT Fundraiser.

REQUIREMENTS: Students must have been actively involved in KFACT for at least one (1) year. Acceptance to a post High School program must be provided.

Financial need must be documented by information included on but not limited to FAFSA form.

Each applicant must submit an application form and supplemental information including a short essay.

TIMING FOR APPLICATIONS:

Applications will be accepted until April 30th.

The Scholarship review process will be completed and scholarship recipients selected by May 15th.

METHOD OF DISTRIBUTION:

Scholarships will be distributed at the KFACT Annual Fundraiser.

Funds will be distributed either directly to the academic institution or to the student based on the individual circumstances.
